

Shania Twain, (Don't gimme that) once over

How can you tell me it wasn't for real?
Step into my shoes and see how it really feels
I know, I know why you do it
Still I can't stand, you putting me though it
Don't gimme that, once over
Don't gimme that, once over
That's just one step over the line
Once upon a time I let you near
And there was no reason that I had to fear
I know, I know it's easy to you for leave
But this time it's better for me to give than receive
Don't gimme that, once over
Don't gimme that, once over
That's just one step over the line
You made the place and time
How did you fake that crime?
Once in a while I'll think of yo
Maybe somethin' old or somethin' brand new
I know, I know, I know where you'll be
Somewhere in the night lookin' for me
You can seek but you'll never find
Cause you can't go back in time
Don't gimme that, once over
Don't gimme that, once over
That's just one step over the line
Don't gimme that, once over
Don't gimme that, once over
That's just one step over the line
Don't gimme that, once over
Don't gimme that, once over
That's just one step over the line
