

# Shania Twain, Hate To Love

Midnight sky shining on my face  
I feel the waves embracing me  
I'm here to find some peace of mind  
Time and tide it waits for me  
It waits for me, yeah

So here I am again somewhere in between  
(Hate to Love)  
Trying to find reality in a dream  
(Hate to love)  
I'm afraid to say I need someone like you  
(Hate to love)  
oooooohhhhhuuohoh hate to love

Faded photograph  
A picture perfect love  
Locked inside this frame of mine  
Forgiving truth  
Is trust betrayed  
If time heals all that left me behind  
It left me behind

So here I am again somewhere in between  
(Hate to Love)  
Trying to find reality in a dream  
(Hate to love)  
I'm afraid to say I need someone like you  
(Hate to love)  
oooooohhhhhuuohoh hate to love

Loneliness and innocence  
With you invades my heart  
I've learned to hate the truth of love  
It's tearing me apart

So here I am again somewhere in between  
(Hate to Love)  
Trying to find reality in a dream  
(Hate to love)  
I'm afraid to say I need someone like you  
(Hate to love)  
oooooohhhhhuuohoh hate to love
