Shania Twain, I Won't Leave You Lonely

Together-midnight in summer
The air's so much warmer
Falling in love under starlight
Holding on so tight-together
I won't leave you lonely tonight
I want you to hold me all night
It's gonna be alright
I won't leave you lonely tonight

Imagine-the air filled with jasmine The breeze blows with passion You and me dance with desire The moon is on fire-imagine

I won't leave you lonely tonight I want you to hold me all night It's gonna be alright I won't leave you lonely tonight

Je t'aime beaucoup mon amour You are the one I adore

I won't leave you lonely tonight I want you to hold me all night It's gonna be alright No you won't be lonely tonight

Na-na-na... Te amo mucho mi amor You are the one I adore Te amo
