

# Shania Twain, Send It With Love

Whenever I think of you  
It seems so unfair  
That I have to close my eyes  
To see you there  
I know I'm makin it now  
But its tough  
I can't begin to tell you enough  
The pain is too much

And I give my heart in a prayer  
Send it with love  
And you just say the words  
And I'll be there  
Send it with love  
Send it with love

I've come to realize that  
I'm on my own  
So whenever I'm scared inside  
I dream that your home  
Hard to say  
How everything happened so fast  
So many questions to ask  
ohh

And I give my heart in a prayer  
Sent it with love  
You just say the word  
And I'll be there  
Send it with love  
Send it with love

Is it right or is it wrong  
To want you here so much  
I can never bring you back  
So I feel what I can't touch

I've come to realize that I'm on my own

And I give my heart in a prayer  
Send it with love  
You just say the word  
And I'll be there  
Send it with love  
Send it with love

And I give my heart in a prayer  
Send it with love  
You just say the word  
And I'll be there  
Send it with love  
Send it with love
