

Shania Twain, You're Still The One

Looks like we made it
Look how far we've come my baby
We mighta took the long way
We knew we'd get there someday

They said, I bet theyll never make it
But just look at us holding on
We're still together still going strong

(Youre still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(Youre still the one)
You're still the one I love
The only one I dream of
You're still the one I kiss good night

Ain't nothin' better
We beat the odds together
I'm glad we didn't listen
Look at what we would be missin'
They said, I bet theyll never make it
But just look at us holdin' on
We're still together still goin' strong

(Youre still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(Youre still the one)
You're still the one I love
The only one I dream of
You're still the one I kiss good night

(Youre still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(Youre still the one)
You're still the one I love
The only one I dream of
You're still the one I kiss good night

I'm so glad we made it
Look how far we've come my baby
