Shanice, I'm Crying

Puttin' on my coat
I wanna break out from these walls
Catch a bus and take a walk downtown
Maybe run into a friend
I just know I got to get out

But everywhere I go
I see lover's hand in hand
Reminds me of the way it used to be
(Reminds me of the way it used to be boy)
Baby it felts so right
When you were walkin' with me
(Don' t you see)

Chorus:

I' m cryin' how could you leave me all alone
I' m cryin' just can' t make it on my own
I dream of you the whole day through
But when the nighttime falls
I' m all alone
Cryin' all alone

When I close my eyes
I can feel your lips on mine
Nobody ever touched me like you did
(Nobody ever touched me ever like you did boy)
There ain' t a thing I wouldn' t give
Baby for just one more kiss
(Don' t you see)

Repeat chorus:

My friends say I' ll love again
I wanna believe but why pretend
Tell me why,why pretend baby
I' m always gonna fell the same
No one will ever take your place
No nothing can compare
With the love we shared,baby
Don' t you see

Repeat chorus:
