

# Shanice, Yesterday

Verse 1:

I know, I shouldn't walk out this way  
Sorry, but my feelings have changed  
I would only hurt you more if I stayed  
So I can't go on pretending that I  
Feel like I did yesterday...So

Hook:

I can't stay  
And keep living this lie  
I finally found the strength to say goodbye  
I'm on my way  
Nothing can change my mind  
I'm leaving behind what we had...Yesterday

Verse 2:

Know this  
It's not about somebody else  
It's not you  
I just need some time by myself  
Though it hurts me to see you go through this pain  
Still I can't go on believing that I  
Feel like I did yesterday...So

Hook -repeat:

Brigde:

Throughout this time  
I've realized  
Been holding this in far too long  
Now I have to be strong...Can't turn back  
I've been there for you and now I must do  
What I should have... Yesterday

Hook -repeat:
