

Shannon Lawson, Who's Your Daddy

I can pull my weight
I can walk a line
I'm a sucker for you baby
Cause you're mine all mine
I can treat you right
I'll never treat you mean
I'm the good, the bad, the ugly
And everything between
Who's your daddy
Who's your daddy
I can make it happen
Or I can find the way
To get you what you're needin'
Any time of day
If you've got a problem
Nobody understands
Call on me I'll be your right hand man
Who's your daddy
Who's your daddy
Who's your daddy
Who's your daddy
I'm a loaded pistol
My fuse is always lit
If you're lookin' for action
That's just what you get
When you need my protection
Baby I'm here to share it
I've got the fire
And I've got the nerve
Who's your daddy
Oh, who's your daddy
Who's your daddy
Who's your daddy
Baby don't you worry
You've got nothing to fear
I'll give it all to you
I'll be standin' right here
I'll tell the world
Baby I've got your back
I'll never leave you hanging
Baby that's a stone cold fact
Who's your daddy
Oh, who's your daddy
Who's your daddy
Who's your daddy
Who's your daddy
Oh, who's your daddy
Your daddy
Daddy
Who's your daddy
Yeah, that's what I'm talkin' about
