

Shannon, Sweet Somebody

Hey there

I've been watching you sittin' there against the wall.

Say there

I don't know what you're doing but you're not having fun at all.

I can tell you're feelin' down 'cause you show no reaction

And everybody's in the groove.

But you're not helping things at all sitting there afraid to move.

Gotta get up

when you're feelin' down

go meet somebody

'Cause all you need to turn things around is a sweet somebody.

Gotta get up

when you're feelin' down

go meet somebody

...

Sweet somebody

gotta get up.

Hey boy

I know how you feel

sitting there all by yourself.

But say

boy

your heart will never heal until you find somebody else.

Let whoever broke your heart fade into the past and give tonight another try.

This could be a brand new start

don't you let it pass you by.

Gotta get up

when you're feelin' down

go meet somebody

...

Sweet somebody

gotta get up.

Gotta get up

when you're feelin' down

go meet somebody

...

Gotta get up

sweet somebody

gotta get up

sweet somebody.

Gotta get up

when you're feelin' down

go meet somebody

...

Gotta get up

when you're feelin' down

go meet somebody

...
