

Sharam, The One

Is there any way that i could stay in your arms ?
Is there any way that i could stay in your arms ?

Girl is it not enough that you took my heart
That you took my life, that you took my love
Some kind of boy, some kind of girl, some kind of song around the world
You gave it to me, and I gave it away
I wish i was back where i belonged
Some kind of girl, some kind of boy, that you were the one

If your not the one, i don't know who is
You've only come once, I have new love since

Is there any way that i could stay in your arms ?
Is there any way that i could stay in your arms ?
Is there any way that i could stay in your arms ?

Girl is it not enough that you took my heart
That you took my life, that you took my love
Some kind of boy, some kind of girl, some kind of song around the world
You gave it to me, and I gave it away
I wish i was back where i belonged
Some kind of girl, some kind of boy, that you were the one

If your not the one, i don't know who is
You've only come once, I have new love since
If your not the one, i don't know who is
You've only come once, I have new love since
If your not the one, i don't know who is
If your not the one, i don't know who is

I don't know
I don't know
I don't know who is
I don't know
I don't know
I have new love since

Teach me the way to love again
I've fallen away, but I'm back again
I've said the words to make you leave
Please forgive me girl and come back to me

Is there any way that i could stay in your arms ?
Is there any way that i could stay in your arms ?
