

Sharon Phillips, Touch Me

If you look into my eyes
I can take you away
if you listen to my lies
I could wipe your tears away
But should I have to follow through
everything I do for you
give me more of what I'm asking for
I would never have to love
'cause you'll be giving me
just what I'm asking for
and baby tomorrow won't be too late
so just
Touch me
oh how I wish you could
touch me
oh how I wish you would
make sweet love to me
and tell me that you're mine
touch me
oh how I wish you would
baby hold me yeah
and make sweet love to me
Would you seat there
and watch me cry
or are you gonna wake up
from your dreams and realize
that you've got me
and you've got a family
say would you touch me
would you let maybe
Say would you stand there
and just let me walk away
I would never go away
all you have to do is say something baby
Touch me
oh how I wish you would
touch me
oh how I wish you could
make sweet love to me
and tell me that you're mine
touch me
oh how I wish you would
baby hold me yeah
and make sweet love to me
Baby I can make it easy
if I try
just open your eyes
and promise not to cry now
'cause I've given my hope
and everything to loving you boy
is it gonna be easy
for you to walk away
and just forget what we have in yesterday
baby
I wanna remind you if you touch me (Oh yeah)
Touch me
oh how I wish you could
touch me
oh how I wish you would
make sweet love to me
and tell me that you're mine
touch me
oh how I wish you would
baby hold me yeah

and make sweet love to me
Oh how I wish you could..
