

Shaun Groves, Your Renown

On this journey home
I will walk Your road
I will not turn 'round
For another

Make my pathway straight
Into heaven's gates
I will not turn 'round
For another

Lord, it's Your renown
Your eternal fame
That I live for now
It's Your name
It's Your name
For Your name

□

In my heart I'm sure
I'm completely Yours
I will not bow down
For another

Trade my selfishness
For Your holiness
I will not bow down
For another

When my sun goes down
And the dark surrounds
I will not cry out
For another
