

Shaw Blades, I'll Always Be With You

Morning brings another day
The sun is shining across the bay
And I've come to be with you
I'll always be with you
I'll always be with you

Holding hands and singing songs
And you were there
To show me right from wrong
And I've come to be with you
I'll always be with you
I'll always be with you

Every time I try
To Tell you why
Somehow the words
Just slip my mind
And I fall deeper and deeper and deeper and deeper

There's no pretending and no regrets
With wings upon you
You look your best
And I've come to be with you
I'll always be with you
I'll always be with you
