

# Shawn Colvin, 84,000 Different Delusions

Good love  
bad love  
good love  
yeah  
My time  
your time  
my time  
yeah

84,000 different delusions  
Take a ride in the car  
84,000 different delusions

Good times  
bad times  
good times  
yeah  
Our world  
their world  
our world  
yeah

84,000 different delusions  
Meet me down at the bar  
84,000 different delusions

Go look at the lake, please  
Go look at the sky  
Go look at a baby  
We're all gonna die

84,000 different delusions  
We don't know who we are  
84,000 different delusions  
We don't get very far  
84,000 different delusions  
Everyone is a star  
84,000 different delusions...
