

# Shawn Colvin, Climb On

S. colvin - j. leventhal

Oh, my soul  
Sometimes we don't know what to do  
We work so hard  
Being tough on our own  
But now it's me and you  
Let's give it up  
Sad bones  
'cause we all fall on hard times  
But you don't have to stand up all alone  
Just put your hand in mine

Climb on  
A back that's strong  
Hey hey  
You can git' what you want  
Climb on  
A back that's strong

If you could save me  
A place in heaven  
With a clean well-lighted room  
I'll muscle up to armageddon  
And I'll wave to you darlin'  
Be home soon  
And if you could show me  
The story of love  
I would write it  
Again and again  
And then you could be  
The woman you need  
If you just let me be  
The man that I am

Oh, I don't know  
Sometimes we try too hard to see  
But we got one down now  
One more to go  
That's when you say  
To me
