

# Shawn Colvin, Get Out Of This House

Go jump in the lake, go ride up the hill  
Get out of this house  
It's a house of your making, it's a house of ill will  
Get out of this house  
Go listen Buddha, go listen to Joe  
Get out of this house  
If anyone asks, you tell them you don't know  
Get out of this house  
I spent eleven long years in a hot house zone  
I spent twentynine more trying to get home  
Well I never got home, but I did what I did  
And I got myself this house and you can't come in  
I'm the queen of my castle, I'm the king of my room  
Get out of this house  
I got more than I need, more than I ever could use  
Get out of this house  
I spent seventeen years trying to save my soul  
I spent twentythree more down int he hole  
now my soul in alright but I might get found out  
I got myself this house now and I can't get out  
If I see you again it will be in my head at the end of a cloud  
If you see me again it will be in your head telling you to get out  
You act like a baby, you talk like a fool  
Get out of this house  
Go back to your mama, go back to high school  
Get out of this house  
Go jump in the lake, go jump out the door  
Get out of this house  
I've had all I can stand and I can't stand no more  
Get out of this house
