## Shawn Colvin, Sunny Came Home

by Shawn Colvin & Dhn Leventhal Sunny came home to her favorite room Sunny sat down in the kitchen She opened a book and a box of tools Sunny came home with a mission

She says days go by I'm hypnotized I'm walking on a wire I close my eyes and fly out of my mind Into the fire

Sunny came home with a list of names She didn't believe in transcendence It's time for a few small repairs she said Sunny came home with a vengeance

She says days go by I don't know why I'm walking on a wire I close my eyes and fly out of my mind Into the fire

Get the kids and bring a sweater Dry is good and wind is better Count the years, you always knew it Strike a match, go on and do it

Days go by I'm hypnotized I'm walking on a wire I close my eyes and fly out of my mind Into the fire Light the sky and hold on tight The world is burning down She's out there on her own and she's alright Sunny came home Sunny came home...
