

# Shawn Colvin, Sunny Come Home

Sunny came home to her favorite room  
Sunny sat down in the kitchen  
she opened a book and a box of tools  
Sunny came home with a mission  
she says days go by I'm hypnotized  
I'm walking on a wire  
I close my eyes and fly out of my mind  
into the fire  
Sunny came home with a list of names  
she didn't believe in transcendence  
it's time for a few small repairs she said  
Sunny came home with a vengeance  
she says days go by I don't know why  
I'm walking on a wire  
I close my eyes and fly out of my mind  
into the fire  
get the kids and bring a sweater  
dry is good and wind is better  
count the years, you always knew it  
strike a match, go on and do it  
days go by I'm hypnotized  
I'm walking on a wire  
I close my eyes and fly out of my mind  
into the fire  
light the sky and hold on tight  
the world is burning down  
she's out there on her own and she's alright  
Sunny came home  
Sunny came home ...
