

# Shawn Colvin, When You Know

When You Know  
That you know  
Who you love  
You cant deny it  
Or go back  
Or give up  
Or pretend  
That you dont buy it  
When its clear this time  
Youve found the one  
You never let him go  
Cause you know  
And you know  
That you know  
When you feel  
In your skin  
In your bones  
And the hollows  
Of your heart  
Theres no way  
You can wait  
Till tomorrow  
When there isnt any  
Doubt about it  
Once you come this close  
Cause you know  
And you know  
That you know  
You can feel  
Loves around you  
Like the sky  
Round the moon  
This is how  
Love has found you  
Now you know  
What to do  
When you know  
That you know  
Who you need  
You cant deny it  
Or go back  
Or give up  
Or pretend  
That you dont buy it  
When its clear this time  
Youve found the one  
You never let him go  
Cause you know  
And you know  
That you know  
And its time  
You come in  
From the cold  
And you know  
That you know
