

# Shawn Desman, Nobody

Oooh yeah yeah yeah yeah yeah

Verse 1:

When I think about my baby  
I think how lucky I am  
To have somebody who can love me  
Love me for who I am  
Girl for me you just are so perfect  
Just the way you are  
No matter where, we go from here  
You'll always have my heart

And I realize what I got, so I never take it for granted girl  
And no matter how far away, I will stay true to you, yeah

Chorus:

Cause I don't want to kiss nobody, if I can't be kissing you (If I can't be kissing you)  
I don't wanna hold nobody, if I can't be holding you (If I can't be holding you)

If I cannot hold you girl  
Don't want nobody else... no...

Verse 2:

There aint to much that I believe in  
But I believe in us, girl  
In this crazy world we live in  
I know in you I can trust  
What I won't do is go and mess this up  
And honestly, I can't see me, without you by my side

And I realize what I got, more than ever now  
No matter how far away, I will stay true to you

Chorus:

Cause I don't wanna to kiss nobody, (Oh no no no no) if I can't be kissing you (If I can't be kissing you)  
I don't wanna hold nobody, (I don't want to hold nobody, nobody) if I can't be holding you (If I can't be holding you)

Bridge:

Want love, baby come take it  
Your heart, you know I won't break it  
Feels like, I'm walking on air I can't believe your mine  
All mine, baby girl all mine

Chorus:

Cause I don't want to kiss nobody, if I can't be kissing you (If I can't be kissing you)  
I don't wanna hold nobody, (I don't wanna hold nobody baby yeah) if I can't be holding you (If I can't be holding you)  
Cause I don't want to kiss nobody, (oh no no no no) if I can't be kissing you (If i can't be kissing you)  
Just wanna spend the rest of my life, the rest of my life

I don't wanna hold nobody,  
No, if I can't be holding you  
And if I can't have you baby  
Then I don't want nobody
