## Shayne Ward, Back At One

It's undeniable That we should be together It's unbelievable How i used to say that i'd fall never The basis you need to know If you don't know just how i feel Then let me show you now That i'm for real If all things in time Time will reveal Yeah

One, you're like a dream come true Two, just wanna be with you Three, girl it's plain to see That you're the only one for me Four, repeat steps one through three Five, make you fall in love with me If ever i believe my work is done Then i start back at one

So incredible The way things work themselves out And all emotional, once you know what it's all about babe And undesirable For us to be apart Never would have made it very far Cause you know that you've got the keys to my heart Cause

One, you're like a dream come true Two, just wanna be with you Three, girl it's plain to see That you're the only one for me Four, repeat steps one through three Five, make you fall in love with me If ever i believe my work is done Then i start back at one

Say farewell to the dark night I see the coming of the sun I feel like a little child Whose life has just begun You came and breathed new life Into this lonely heart of mine You threw out the life line Just in the nick of time

One, you're like a dream come true Two, just wanna be with you Three, girl it's plain to see That you're the only one for me Four, repeat steps one through three Five, make you fall in love with me If ever i believe my work is done Then i start back at one
