

She & Him, Baby, It's Cold Outside

-I really can't stay
-Baby, it's cold outside
-I've got to go away
-Baby, it's cold outside
-This evening has been
-Been hoping that you'd drop in
-So very nice
-I'll hold your hands, they're just like ice
-My mother will start to worry
-Beautiful, what's your hurry?
-My father will be pacing the floor
-Listen to the fireplace roar
-So really I'd better scurry
-Beautiful, please don't hurry
-Well, maybe just a half a drink more
-Put some music on while I pour
-The neighbors might think
-Baby, it's bad out there
-Say, what's in this drink?
-No cabs to be had out there
-I wish I knew how
-Your eyes are like starlight
-To break the spell
-I'll take your hat, your hair looks swell
-I ought to say no, no, no, sir
-Mind if I move closer?
-At least I'm going to say that I tried
-What's the sense in hurting my pride?
-I really can't stay
-Baby, don't hold out
-Ah, but it's cold outside

C'mon, baby

I simply must go
Baby, it's cold outside
The answer is no
Oh darling, it's cold outside
This welcome has been
I'm lucky that you dropped in
So nice and warm
Look out the window at that storm
My sister will be suspicious
Man, your lips look delicious
My brother will be there at the door
Waves upon a tropical shore
My maiden aunt's mind is vicious
Gosh, your lips are delicious
Well, maybe just a half a drink more
Never such a blizzard before

I've got to go home
Oh, baby, you'll freeze out there
Say, lend me your coat
It's up to your knees out there
You've really been grand
I thrill when you touch my hand
But don't you see
How can you do this thing to me?
There's bound to be talk tomorrow
Think of my life-long sorrow
At least there will be plenty implied
If you caught pneumonia and died
I really can't stay

Get over that hold out
Ah, but it's cold outside

Baby, it's cold outside

Brrr, its cold
It's cold out there
Cant you stay a while longer, baby?
Well, I really shouldn't all right
