

# She & Him, I Could've Been Your Girl

It doesn't matter, if I were willing  
It doesn't matter that the lights are tender love  
Oh, oh,  
I know you have to go  
It doesn't matter, I fought my heart  
It's broken, shattered to a million and one

Cause I could've been your girl  
And you could've been my four leaf clover  
If I could do it over I'd send you the pillow that I cry on

It doesn't matter, I just begun  
And if you see me, just move on  
Cause we are free and never meant to be

Cause I could've been your girl  
And you could've been my four leaf clover  
If I could do it over I'd send you the pillow that I cry on
