She & Him, I Could've Been Your Girl

It doesn?t matter, if I were willing
It doesn?t matter that the lights are tender love
Oh, oh,
I know you have to go
It doesn?t matter, I fought my heart
It?s broken, shattered to a million and one

Cause I could?ve been your girl And you could?ve been my four leaf clover If I could do it over I?d send you the pillow that I cry on

It doesn?t matter, I just begun And if you see me, just move on Cause we are free and never meant to be

Cause I could?ve been your girl And you could?ve been my four leaf clover If I could do it over I?d send you the pillow that I cry on /3x
