

She & Him, Sentimental Heart

Cried all night
'Till there was nothing more
What use am I as
A heap on the floor
Heaving devotion
But it's just no good
Taking it hard
Just like you knew I would

Oh, Old habits die hard
When you got
When you got
A sentimental heart
Piece of the puzzle
And you're my missing part
Oh, what can you do
With a sentimental heart
Oh, what can you do
With a sentimental heart

Cried all night
Till there was nothing more
What use am I as
A heap on the floor
Heaving devotion
But it's just no good
Taking it hard
Just like you knew I would

Oh, Old habits die hard
When you got
When you got
A sentimental heart
Piece of the puzzle
And you're a missing part
Oh, what can you do
With a sentimental heart
Oh, what can you do
With a sentimental heart
With a sentimental heart
