

She Sells, Forever

Verse1:

I don't wanna
be the one,
but who will, not some
sacred son,
String 'em up,
Cut 'em down,
Death is their
eternal crown,

Chorus:

Forever, Forever 'til you wake,
Forever, Forever in this state.

Verse2:

One forever
with your soul,
unless you ever
lose control.
Take me with you,
but don't go,
what I want,
I just don't know

(Chorus)

Verse3:

Try to help me,
leave me die.
Shatter my soul,
while angels cry.
Take the image.
Take the dream.
Rip me up
seam from seam,

(Chorus)

Verse4:

Anything,
but not this.
Greed makes me
lick my lips.
Anticipate
your morbid hate.
Use my gentle
eyes as bait.
