

# She Wants Revenge, She Loves Me, She Loves

Felt too much, did she feel a thing?  
Long, dark hair, never saw her cry  
In two halves I was torn  
My maybe love who wouldn't even try

She loves me, she loves me not [2x]

I saw you only yesterday  
We shared a smile, then went our separate ways  
Perhaps one day? never mind  
All the nights we shared, were we just killing time?

She loves me, she loves me not [2x]

For all the things I said to her and all the ways I tried  
And all the things I did for her, they're lost with one goodbye

She loves me, she love me not

She loves me, she loves me not [2x]

For all the things I said to her and all the ways I tried  
And all the things I did for her were lost with one goodbye

She loves me, she love me not

She loves me, she loves me not
