

She Wants Revenge, Time

""Timbaland""

I got a feeling she keeps me in the dark
I gotta keep my eye on her, she ain't no walk in the park
I'd offer this but she wants that, she she she want it all
You see she wanted to paint the picture and say she my broad
I got a little tip from the word on the block, people sayin' I shouldn't get involved
But I didn't judge or try to change her cause you are who you are
I'm like a drug she's addicted to me, she can't leave me now
She always makin's plans to date, come and find me tomorrow, good-bye girl.

""Justin & Adam""

She's too invested on the hours that pass her by
I'd pay attention if I thought it was worth the time
I tell her easy,
But her hands
They find a way
Confusing passion for the love he never gave
Fall back on Reasons that we know won't stand a chance
Watching her shoulders
Like a memory from the past
I tell her easy
But her hands they find a way
Confusing passion for the love he never gave.

""Timbaland""

I couldn't get rid of shawty if wanted
Cause she was down, but I was tired of playin' the role like I ain't know that she get around
Something about this girl fascinates me, she's the type that likes to hang with the stars
The way she makes me feel and sedates me, who knew we would take it this far
Everywhere that I try to go she got a wanted poster with my face on it
Soon as I walk out the door, there it is a wanted poster with my face on it
Can't blame myself and it's not my fault cause nothing was promised at least I could say I
Was honest, goodbye girl.
