

Shea Seger, Always

I saw a flag wave in the heavens over me
I saw the virgin and for a moment I believed
You said you'd save me
But I don't want to be saved
I just want to be loved and to love always

I felt my lips move
But the words they were not mine
I heard you crying and for a moment
I could see
You said you'd save me but I don't want to be saved
I just want to be loved and to love always

And it's OK, I know what's confusing me
I know what I want to see
And I know where I want to be
And an angel was flying next to me
No hesitation
For a moment I was free
You said you'd save me
But I don't want to be saved
I just want to be loved and to love always
