

Shebang, I Lost My Heart To Rock And Roll

You look good but your boring
What you say i've heard before
and dont you say it to somebody else
well your a pretty little suffer
and im just dangerous tonight
i just inviteing what your trying to sell
so theres no need for you to bother
i've already got a lover
and im never gonna let it go
cause its everything for me
ita all i want and all i need
im gonna shout it til the whole world knows

ive lost my heart to rock n roll (ooo)
im running wild without control (ooo)
ive got a doctor run away
i need injections everyday
im in love with rock n roll
ive lost my heart to rock n roll (ooo)
Its in my body and my soul (ooo)
What can i do what can i say
surprise i have to pay
ive lost my heart to rock n roll

So exuce me im leaving
got a date got a meeting
with the record on my stereo
and i couldnt let it wait
i know music will b great
cause its my baby and i love it so
i could never be unfaithful
never meen never hateful
and it wouldnt never treet me bad
and together were unstoppable
we'll take you to the top and have the funnest time we ever had

ive lost my heart to rock n roll (ooo)
im running wild without control (ooo)
ive got a doctor run away
i need injections everyday
im in love with rock n roll
ive lost my heart to rock n roll (ooo)
Its in my body and my soul (ooo)
What can i do what can i say
surprise i have to pay
ive lost my heart to rock n roll

it feels like comming home (it feels like coming home)
im never sad alone

ive lost my heart to rock n roll (ooo)
im running wild without control (ooo)
ive got a doctor run away
i need injections everyday
im in love with rock n roll
ive lost my heart to rock n roll (ooo)
Its in my body and my soul (ooo)
What can i do what can i say
surprise i have to pay
ive lost my heart to rock n roll

Ive lost my heart to rock n roll
