

# Sheena Easton, Almost Over You

I saw an old friend of our's today  
She asked about you, i didn't quite know what to say  
heard youv'e been making the rounds 'round here  
while I've been trying to make tears disapear

Chorus:

Now Im almost over you  
I've almost shook these blues  
so when you come back around  
after painting the town  
you'll see im almost over you...

you're such a sly one with a cold cold heart  
maybe leavin came easy, but it tore me apart  
time heals all wounds they say and I should know  
coz it seems like forever,  
but im letting you go

(chorus)

I can forgive you and soon I'll forget all my shattered dreams  
although you left me with nothing to show  
but all misery

( chorus )

when you come back around, after painting the town,  
you'll see im almost over you
