

Sheena Easton, Giving Up Giving In

Ah-ah, ah-ah
ah-ah, ah-ah

Giving up, giving in
I won't be no fool again
I'm giving up (I'm giving up now)
Giving up (I'm giving up now)
Giving up (I'm giving up now)
Yeah yeah (I'm giving up now)

Giving up, giving in
You can sweet talk to the wind
I'm giving up (I'm giving up now)
Giving up (I'm giving up now)
Giving up (I'm giving up now)
Ah

Giving up, always believing
Giving up, all your deceiving
Giving up, always excusing
Giving up, there's no more delusion

Giving up, always regretting
Giving up, no more forgiving
Giving up, too many alibis
Giving up, all of your stupid lies

Too much giving, just no take
Guess I saw it all too late
Now I'm giving up (I'm giving up now)
Giving up (I'm giving up now)
Giving up (I'm giving up now)
Yeah (I'm giving up now)

All those lies and alibis
That you smoothed out every time
Now I'm giving up (I'm giving up now)
Giving up (I'm giving up now)
Giving up (I'm giving up now)
Oh

Giving up, always believing
Giving up, all your deceiving
Giving up, always excusing
Giving up, no more delusions

Giving up, always regretting
Giving up, no more forgiving
Giving up, too many alibis
Giving up, all of your stupid lies

[Instrumental]
Ah Ah, Giving up
Ah Ah

Giving up, always believing
Giving up, all your deceiving
Giving up, too many alibis
Giving up, all of your stupid lies

(giving up, giving in)

I'm over you
(giving up giving in)

Ah ah ah you
(giving up giving in)
(giving up giving in)

I'm giving up
(giving up giving in)

I'm gon
