

# Sheena Easton, My baby takes the morning train

I wake up every mornin', I stumble out of bed  
Stretchin' and yawnin', another day ahead  
It seems to last forever, and time goes slowly by  
Till babe and me's together, then it starts to fly  
'Cause the moment that he's with me, time can take a flight  
The moment that he's with me, everything's alright  
Night time is the right time, we make love  
Then it's his and my time, we take off

Chorus:

My baby takes the morning train, he works from nine till five and then  
He takes another home again to find me waitin' for him

chorus

He takes me to a movie, or to a restaurant, to go  
Slow dancing, anything I want  
Only when he's with me, I catch light  
Only when he gives me, makes me feel alright

chorus

All day I think of him, dreamin' of him constantly  
I'm crazy mad for him, and he's crazy mad for me  
When he steps off that train, I'm makin' a fool, a fight  
Work all day to earn his pay, so we can play all night

chorus

(chorus repeats out)

He's always on that morning train

He works so hard

To find me waiting for him...
