

Shelby Lynne, Feelin' Kind Of Lonely Tonight

(Verse)

I know we both decided it was good for you to go
A little time apart would tell us what we need to know
Well I don't know about you, but I'm feelin' kinda lonely tonight
We said we wouldn't talk to one another on the phone
A little time apart to try to make it on our own
Well I don't know about you, but I'm feelin' kinda lonely tonight

(Chorus)

Maybe it's better, maybe it's not
Maybe we should look at everything we've got
Maybe those bad times weren't so bad
Maybe those sad times weren't so sad
Well I don't think I like the way this thing is workin' out
I don't think this pain is what our love is all about
Well I don't know about you, but I'm feelin' kinda lonely tonight
(3x)

Well I don't know about you, but I'm feelin' kinda lonely tonight (2x)
