

# Shelby Lynne, You And Me

(Shelby Lynne)

Me, myself and I  
You yourself and we  
Enough of you enough of me  
Who are you who are we  
Me myself, you yourself  
You and we.

Me myself and I  
You, yourself and we  
Enough of you enough of me  
Who are you who are we  
Me myself you yourself  
You and we.

Underneath the paper sky we are under you and I  
Inescapably in-captured with the world and ever after  
Aaaaaahhh, ahhh, ahhhhhhh

Me myself and I  
You yourself and we  
Enough of you enough of me  
Who are you who are we  
Me myself you yourself  
You and we.
