

# Shelley Pete, Twilight

Watching the twilight  
I saw it flicker  
Feel that I might as well give up and go  
On the horizon  
Are distant reminders  
Twilight is the only love I know  
Shadows dissolving  
No good me tying  
I always find it hard to leave and let go  
I knew that you loved me  
Guess I was mistaken  
Twilight is the only love I know
