Any man mi give mi pussy haffi claim me  
Me's a gyal, nuh chase man, dem haffi chase me  
And mi never born rich, but mi born fi change it  
Used to walk miles, now mi Lambo' a race it  
Upgrade to diamonds, graduate from stainless  
Comin' up from the islands, struggles mek mi fearless  
Mi a go, di woman allow, mi nuh follow in a body shadow  
'Cause mi real to di bone, straight to di marrow  
Man cyaan push mi 'round, I am not a clown  
Straight to di point, mi nuh do merry-go-round  
Mi nuh chatty, bad gyal, mi nuh fear nobody  
If mi dweet, mi nah go seh it wasn't me like mi a Shaggy  
Mi nah go back, mi nah go run, I'm gonna take di minimum  
Do it for pleasure, mi do it for fun, diss me, nowhere to run  
Hard fi hold my tongue, sorry, I'm just a mom  
Tell di baby mother mi will go ah jail fi mi son  
Copy, di rats weh mi bring, red light cyaan stop it  
If mi n'ave a gun, best believe mi have a ratchet  
Brown skin gyal don't fear black 'matic  
Jamaica mi from, mi will knock it inna traffic  
Locked up, dem a try fi get mi locked up  
But mi pray and only pree fi get mi racks up  
Mi nah forgot mi bag just fi get nuh props up  
Mi dig this out di mud from underground up  
Locked up, dem a try fi get mi locked up, uh  
But mi used to opps because the ghetto life rough  
Hard fi get mi out becuh mi nuh gi one fuck, ayy, chyeah  
Yo, Shenyeng don't apologize to nobody eye  
Never di one fi start it, but mi quick fi reply  
Inna person, to yuh face, eye to eye  
I'm the type, if mi cyaan catch up fi fight, mi will cry  
So mi nuh into it if you cyaan get into me  
So you will never send mi back an' forth over di Internet  
'Cause mi know mi bad, mi nuh haffi talk shit  
'Cause when it come to action, mi will prove it, yo  
Can't chat 'bout mi talent wid yuh likkle loose lip, ayy  
Mi born wid it, mi haffi dead fi lose it, ayy  
Big up di haters who nuh like mi music  
Mi a go sink it 'na dem eardrum like a Q-tip  
They said I wouldn't get bigger and now I'm doing Coachella  
Gotta be one of the greatest ever, nah get locked up in no cellar  
Said I would not get bigger, now mi a do Coachella  
A go be di greatest ever, nah get locked up in no cellar, bitch
