

Sheppard, Edge Of The Earth

Waves, they're pushing you away
And I'd do anything to stay
To take the weight off of your shoulders (Shoulders)
Yeah, time (Time)
Is not a friend of mine
'Cause in the blink of an eye
We'll be divided by ocean

USA, Tokyo, Amsterdam, Mexico
Oh-oh, oh, oh
Anywhere that you go, I just wanna let you know
Oh-woah, oh, oh, oh

No place is ever too far
Home is wherever you are
I'll follow you, follow you right out to the edge of the Earth
However we make it work
As soon as you say the word
I'll follow you, follow you right out to the edge of the Earth

Ooh, ooh-ooh, ooh, ooh-ooh
Right out to the edge of the Earth
Ooh, ooh-ooh, ooh, ooh-ooh

Life can take you by surprise
But if I've got you by my side
We can ride every emotion

Oh, USA, Tokyo, Byron Bay, Paris, Rome
Oh-oh, oh, oh
Anywhere that you go, I just wanna let you know
Oh-woah, oh, oh, oh

No place is ever too far
Home is wherever you are
I'll follow you, follow you right out to the edge of the Earth
However we make it work
As soon as you say the word
I'll follow you, follow you right out to the edge of the Earth

Ooh, ooh-ooh, ooh, ooh-ooh
Right out to the edge of the Earth
Ooh, ooh-ooh, ooh, ooh-ooh

To the edge, to the edge, to the edge, to the edge of the Earth
To the edge, to the edge, to the edge, to the edge of the Earth
I'll follow you, follow you

(To the edge, to the edge, to the edge, to the edge of the Earth)
USA, Tokyo, Amsterdam, Mexico
Oh-oh, oh, oh
(To the edge, to the edge, to the edge, to the edge of the Earth)
Anywhere that you go, I just wanna let you know
Oh-woah, oh, oh, oh

No place is ever too far
Home is wherever you are
I'll follow you, follow you right out to the edge of the Earth
However we make it work
As soon as you say the word
I'll follow you, follow you right out to the edge of the Earth

(USA, Tokyo, Amsterdam, Mexico)
Ooh, ooh-ooh, ooh, ooh-ooh

Right out to the edge of the Earth
(Anywhere that you go, I just wanna let you know)
Right out to the edge of the Earth
Ooh, ooh-ooh, ooh, ooh-ooh

Ooh, ooh-ooh, ooh, ooh-ooh
