

Sherika Sherard, Don't Be So Shy

Don't Be so Shy
Don't be shy
Don't be shy
Don't be shy
Don't be shy

Take a breath

Rest your head
Close your eyes
You're alright
Just lay down
Turn my side
Do you feel my heat
On your skin

Take off your clothes
Blow out the fire
Don't be so shy
You're right
You're right
Take off my clothes
Oh bless me father
Don't ask me why
You're right
You're right

Home, I stay
I'm in, come in
Do you feel my hips
In your hands
And I'm laying down
By your side
I taste the sweet
Of your skin

Take off your clothes
Blow out the fire
Don't be so shy
You're right
You're right
Take off my clothes
Oh bless me father
Don't ask me why
You're right
You're right

In my heart dress
Raise so much faster
I drawn myself in holy water
And both my eyes
Just got so much brighter
And I saw God
Oh yeah so much closer
In the dark
I see your smile
Do you feel my heat
On my skin

Take off your clothes
Blow out the fire
Don't be so shy
You're alright
You're alright

Take off my clothes
Oh bless me father
Don't ask me why
You're alright
You're alright

Take off your clothes
Blow out the fire
Don't be so shy
You're alright
You're alright

Take off my clothes
Oh bless me father
Don't ask me why
You're alright
You're alrightt
Take off your clothes
Blow out the fire
Don't be so shy
You're alright
You're alright

Take off my clothes
Oh bless me father
Don't ask me why
You're alright
You're alright
