

Sheryl Crow, All Kinds Of People

There's a time for love, and a time for healing
You can't go back and undo what's been done
Word of mouth, time is revealing
Just how far we've let this kingdom come

Hand in hand, we're finding our way
And today is just tomorrow's yesterday

Some will die for you; some would lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world

Yeahhhh

A kiss of life, and the hand of faith
A boy grows up into his father's son
And he learns to love, he's been taught to hate
To carry on the way it has been done

All our lives it's debts to repay
And then someday we can put the past away

Some will die for you, some would lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world
Some will die for you; some would lie to you
There's all kinds of people in this world
Put your fear away, find a better way,
There's all kinds of people in this world

Yeahhhh

In a moment, things can change
One look behind and it's never the same

Some will die for you, some would lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world
(all kinds of people of people in this world)
Some will die for you, some would lie to you
There's all kinds of people in this world
Put your fear away, find a better way,
There's all kinds of people in this world
Some will die for you; some would lie to you
There's all kinds of people in this world
Put your fear away, find a better way,
There's all kinds of people in this world
