

# Sheryl Crow, Diamond Ring

We made love all day  
In our little hide away

But I blew up our love nest  
By making one little request

Diamond ring  
Diamond ring  
Dont mean anything  
Diamond ring  
Diamond ring  
Should not mean a thing

You could say I do  
Hide your negative reviews

You love me you say  
But you cant even face the day

Diamond ring  
Diamond ring  
Dont mean anything  
Diamond ring  
Diamond ring  
Should not change

Some say love is blind  
But I say love is only in the mind

Diamonds may be sweet  
But to me they just bring on cold feet

Someday youll be like me  
With someone who just wants to be free

Diamond ring  
Diamond ring  
Dont mean anything  
Diamond ring  
Diamond ring  
Should not mean a thing
