

Sheryl Crow, Happy (Live)

Never kept a dollar past sunset
Always got a hole in my pants
Never took candy from strangers
Always get a second chance
Yeah yeah yeah yeah
I need a love to make me happy
I need a love baby wont you make me happy
Baby wont you make me happy

Well I was never much of a school boy
Never wanna give me no chain
Never want to be like papa
Working for the boss every night and day

I need a love to make me happy
I need a love, baby to make me happy
Baby wont you make me happy
Baby wont you make me happy

I need a love to make me happy
I need a love. baby wont you make me happy
Baby wont you make me happy

I never seem to run out of cocktails
Always take the flesh off the bone
Never wanna be like papa
Now flying flying home!

I need a love to make me happy
I need a love baby wont you make me happy
I need a love to make me happy
i need a love baby wont you make me happy
yeah yeah yeah..baby wont you make me
baby wont you make me
happy baby..happy
