## Sheryl Crow, It's So Easy

All I want to know Is when you go Do you think of me Cause I could let you go But there'd be a hole Where my heart used to be o

CHORUS: It's so easy holding you near I could melt in your arms and disappear Loving you baby is breaking my heart tonight It's so easy but it isn't right o I saw you today You walked away And I couldn't breathe Cause I know how it will feel It's a love so real When you're touching me

CHORUS

Every night I lay here alone After you leave me and go home She doesn't know that we can't let go And it's hurting me so

CHORUS

Baby it's so easy
