

# Sheryn Regis, Follow Your Dream

people laugh us there  
stare at you and say  
she's got no where to go  
but if they only know you're thinkin

when did i go wrong  
how should i move on  
inspite of what i see  
they're losing faith in me

you tell your self to belive  
that in every feet  
it takes a heart to endure  
all the pain and grief having the hope to see the best that you can be

Chorus  
follow your dream  
the courage found within  
your soul is keeping you so strong  
tht you can rise each time you fall  
and stand upon your arm  
those time you won't go wrong  
just give ur best to hold your will  
cause instantsly becom the one  
you've always aimed to be

got to find ur place  
where you've proudly face  
the worst that come ur way  
sometimes it's hard to say  
if you can  
stick to ur desire  
never lose the fire  
the curse of light inside for you to win the fight

you tell your self to achieve  
you must not retrieve  
cause it's the top  
there be tops  
if you must compete  
learning the path of faith  
climb every road you take

Chorus  
follow your dream  
the courage found within  
your soul is keeping you so strong  
tht you can rise each time you fall  
and stand upon your arm  
those time you won't go wrong  
just give ur best to hold your will  
cause instantsly becom the one  
you've always aimed

of reaching that big soul  
but you can't describe  
all you're fears inside that one day you might be filled  
with worries just in time  
every misery meant to make  
you feel you're stronger to heard free  
Repeat chorus
