

# Shiloh, Outsider

Nothing but a child  
lost within your crazy mind

The Devil's got your soul  
and twisted you inside

So possessed I know,  
So obsessed I know!  
You will never be a part of me.  
So possessed I know,  
So obsessed I know!  
You will never be a part of me.  
So possessed I know,  
So obsessed I know!  
You will never be a part of me.  
So possessed I know,  
So obsessed I know!  
You will never break the heart of me... yeah.

Nothing but a child  
Young and free, and strong and wild  
The Devil stole your heart  
Twisted you on up inside

So possessed I know,  
So obsessed I know... (repeat)

Nothing but a child  
Lost within a crazy mind  
The Devil's got your soul  
and twisted you inside

So possessed I know,  
So obsessed I know!  
You will never be a part of me.  
So possessed I know,  
So obsessed I know!  
You will never be a part of me.  
So possessed I know,  
So obsessed I know!  
You will never be a part of me.  
So possessed I know,  
So obsessed I know!  
You will never break the heart of me... yeah.

Aaaah yeah
