

# Shindig, When Words Aren't Enough

i can't breathe from this lump in my throat that you've given me  
sometimes i wish i could fall asleep and never wake up to make this all go away.  
but i know i won't, i know i won't

and i don't know what to say  
everything changed so fast, i can't keep up  
i'm lost in all of those words that could not escape my lips  
that would've made you stay

i can't live with this hole in my chest that i can't seem to mend.  
it's killing me.  
every ounce of air i hold in my lungs, i would give it all to you.  
just to touch your face, to touch your face.

and i don't know what to say  
everything changed so fast, i can't keep up  
i'm lost in all of those words that could not escape my lips  
that would've made you stay

i'll fall asleep tonight and pray that i won't wake, no.  
it's not worth living without you

and i don't know what to say  
everything changed so fast, i can't keep up  
i'm lost in all of those words that could not escape my lips  
that would've made you stay

and i don't know what to say  
everything changed so fast, i can't keep up  
i'm lost in all of those words that could not escape my lips  
that would've made you stay
