

Shiny Toy Guns, Sky Fell Over Me

Hey down there
Dont worry for me
'Cause I'm okay
--You cared

No more tears
'Cause I'm far from lonely
I'm far away
--You cared

Please don't think the world
Has taken the best
Of you or me
I know the love thats in your eyes
Was there when the sky
Fell over me

Leave me here
Now I'm with the angels
And don't you say
Its not fair

Please don't think the world
Has taken the best
Of you or me
I know the love thats in your eyes
Was there when the sky
Fell over me

I can't help but say
That I love you
That I love you
I'm not around
But

Please don't think the world
Has taken the best
Of you or me
I know the love thats in your eyes
Was there when the sky
Fell over me
Yeah when the sun
Came over me
