

# Shivaree, Hello, Hello, I'm Back Again

Hello, Hello. It's good to be back, it's good to be back.  
Hello, Hello. It's good to be back, it's good to be back.

Did you miss me, Yeah, while I was away,  
did you hang my picture on your wall  
Did you kiss me, Yeah, every single day,  
although you couldn't kiss me at all.  
And did you love me, Yeah, like a good little girl,  
Did you tell that naughty boy not to call,  
did you love me, Yeah, in your own little world,  
Although you couldn't see me at all,  
although you couldn't see me at all,

Hello, Hello, it's is good to be back, it's good to be back,  
Hello, Hello, Hello, Hello, I'm back again, I'm back,  
I'm on the right track,  
Hello, Hello tell all your friends I'm back, I'm back as a matter of fact,  
as a matter of fact I'm back

Did you miss me me, Yeah, while I was gone,  
Did you 'hug your pillow in your bed  
Did you kiss me, Yeah, all night long and treasure every word I said  
And did you want me, Yeah, to come back again  
Did you know I've been so far away, did you want me, Yeah,  
Did you tell all your friends to think about me every day  
To think about me every day

Hello, Hello, it's is good to be back, it's good to be back,  
Hello, Hello, it's is good to be back, it's good to be back,  
Hello, Hello, I'm back again, I'm back, I'm back I'm on the right track,  
And did you miss me, Yeah, while I was away,  
did you hang my picture on your wall,  
Did you miss me, Yeah, every single day,  
although you couldn't kiss me at all,  
although you couldn't kiss me at all,

Hello, Hello, it's is good to be back, it's good to be back,  
Hello, Hello, Hello, Hello, I'm back again, I'm back, I'm on the right track,  
Hello, Hello, it's is good to be back, it's good to be back,
