

Shooter Jennings, Put The O Back In Country

Lets put the O back in country
Well, Im rollin like a freight train
Comin straight at you
Playin hillbilly music
Like I was born to do
You know that aint country music
You been listenin to

Chorus:

So are you ready for the country
Are you ready for me
Better get ready for the country
Aint I a sight to see
You know there aint no soul on the radio
Lets put the O back in country

Pickin easy listenin
Aint what I do best
But they say in country music
Its either hit or miss
Well, if youre talkin bout record sales
you can soundscan this

Repeat Chorus

You take a little country and a little rock and roll
A little Neil Young and a little George Jones
A little Merle Haggard and a little bit of the Stones
Add a little Cash and a whole lotta Waylon

Are you ready for the for the country
Are you ready for me
Yeah, better get ready for the country
Ready for me
Yeah, are you ready for the country
Are you ready for me
Better get ready for the country
Aint I a sight to see
Yeah, you know we need a little sould on the radio
Lets put the O back in country
