

# Shout Out Louds, 100 Degrees

Who's next?  
It's gonna be  
It's gonna be  
Trouble

And tonight I'm telling you honestly  
yes, Honestly.  
By the time you get on the bus  
love is no more  
And you'll turn your head  
away from everything you've loved before

I am always right  
yes, I am always right  
when I saw the reflection in the mirror  
I knew it would be tonight

And I'm so happy  
oh so happy  
then again I always am  
and I can't hide the tears in my eyes  
from the night we never had

And over the seas  
it's gotta be at least a hundred degrees  
and in my room  
its gotta be at least a thousand degrees  
and where am I? [woaho]  
I know it sounds stupid but it sounds about it  
and in my room its gotta be at least a hundred  
a hundred degrees

I know everything  
yes, I know everything  
when I saw you behind the corner you asked me  
Yes, I saw everything

And I'm so happy  
oh so happy  
then again I always am  
and I can't hide the tears in my eyes  
from the night we never had

And over the seas  
it's gotta be at least a hundred degrees  
and in my room  
its gotta be at least a thousand degrees  
and where am I? [woaho]  
I know it sounds stupid but it sounds about it  
and in my room [woaho] its gotta be at least a hundred  
a hundred degrees

And over the seas  
it's gotta be at least a hundred degrees  
and in my room  
its gotta be at least a thousand degrees  
and where am I? [woaho]  
I know it sounds stupid but it sounds about it  
and in my room [woaho] its gotta be at least a hundred  
a hundred degrees
